SUBJECT:

Annual Report on the DDS&T Conducted
Engineering Seminar on Program Management

REFERENCE:

DDS&T 1217-81 dtd 24 Mar 81 (Attachment A)
Subject: Engineering Seminar on Program Management

1. This memorandum and its associated documentation is forwarded as our annual feedback of the student assessment of the DDS&T's Engineering Seminar on Program Management. We have attached the unabridged critiques of those individuals who attended the March 1981 through February 1982 runnings. (Attachment B). We believe the summary graphic found in Attachment C provides an accurate portrayal of the student's perception of the course value.

2. For your information the calendar year 1982 schedule calls for conducting the 10th, 11th and 12th runnings of the course on 24-26 May 1982, 26-28 July 1982, and 18-20 October 1982, respectively. You will be receiving requests for nominations some four weeks prior to the scheduled courses.

3. We hope this information, coupled with the list of attendees to date (Attachment D), provides some measure with which you may evaluate the return on your investment of personnel time during the past year.
